JAPANESE PRESENT THEIR PEACE TERMS

Baron Koruma Hands Paper to M. Witte In Person.

CONTENTS NOT MADE KNOWN

The Russian Envoys will study the Condition and Give Earliest Possible Answer—Second Session Closed With Presentation.

Portsmouth, N. H., Aug. 11.—In glorious sunshine, shortly after 9 o'clock this fornoon, the peace plenipotentiaries of the warring nations of the east set out for the navy yard to hold their second session at which, according to general belief, Japan might be expected to show her hand to her adversary. Upon the moderation or stiffness of the terms will depend the continuation of the war in the Far East.

In some well informed quarters, however, doubt existed whether the Japanese would today lay their cards on the table. For some reason the impression existed that Baron Komura was sparring for a little more time. Indeed it had been vaguely intimated that some minor preliminaries regarding proceedure remained to be settled and that the whole day possibly might be consumed in decision upon these details.

The Japanese envoys gave not the slightest hint of what was to be expected. With all the secrecy observed by Oyama in planning a forward movement Baron Komura and his suite have prepared their diplomatic campaign here.

Mr. Witte and his colleagues are in the dark. They can only wait and watch for the decisive moment to arrive. It is known, however, that they went to the meeting this morning strongly inclined to believe that for some reason their adversaries would not reveal their position today. Although intimations have been thrown out from Japanese sources that when the time arrived they would lay down their terms and practically announce that M. Witte must take or reject them as a basis and that the issue would practically be decided at the first clash, the Associated Press has the strongest reason to believe that no such summary tactics are to be pursued. While it is undoubtedly to the advantage of the Japanese plenipotentiaries to reduce the chances for diplomatic sparring over the basis of the negotiations to the nearest possible limits, there will still be some room for give and take.

Japs Conditions of Peace.

The Japanese have handed the Russians the conditions of peace in writing.

The following official statement was made by Mr. Korostovetz on behalf of the Russian plenipotentiaries:

"In the Meeting of August 10, the question of full powers has been regulated so that there will be no more differences on that subject. After this the Japanese plenipotentiaries handed to the Russian plenipotentiaries their conditions of peace in writing. It has been decided that the Russian plenipotentiaries will study the question and will as soon as possible give their answer in writing. In the meantime the meetings of the conference has been adjourned." The presentation of the Japanese terms came at the very end of the morning session. Baron Komura himself handed the momentous document in duplicate in French and Russian to Mr. Witte, who thrust the papers in his inside pocket and the session was declared adjourned.

Kijoro Takasugi, professor of English at the Imperial university of Tokio, in an interview following a very lengthy conference with Mr. Sato, who has been the spokesman so far for the Japanese peace commission, said that Japan's terms in his opinion would include the immediate evacuation of Manchuria, the cession of the island of Sakhalin and an indemnity of [illegible]. The indemnity, he said, was [illegible]

peace can be secured other ways. Kasugi said:

The Portsmouth conference will end in a treaty of peace.

News from St. Petersburg.

St. Petersburg, August 11.—Dispatches received here from Portsmouth, N. H., indicate that Minister Pokotiloff's arrival has resulted in an important modification in M. Witt's views. M. Witte is now willing to make terms with Japan conditioned upon the surrender of the Chinese Eastern railway between Harbin and Port Arthur and to satisfy the financial demands of Japan, if reasonable, provided Russia is permitted to retain Sakhalin.

These terms have been communicated to Peterhoff and are satisfactory to the emperor.

ROOF OF TUNNEL GAVE WAY.

One Man Is Killed and Many Narrowly Escaped from Death.

New York, August 11.—Under the pressure of the weight of the North river the roof of the tube of the Twin Tunnels being bored from 15th street Jersey City, to Merton street, Manhattan, partly gave way yesterday and 22 men at work behind the boring shed narrowly escaped drowning. One man lost his life, having been crushed by the shield, stunned and then drowned.

Nineteen of the workmen took fright when the water began to trickle down upon them and fled toward the gate of the old lock. Three retained their presence of mind and plugged up the break in the roof.

When they finished ther work they were hip deep in the water.

Work on the southern tube of the tunnel was finished last fall. The northern bore had been carried to within 200 yards of the New York shore when yesterday's leak began.

The three men who remained plugged the hole with bags filled with saw dust, which are always kept near the force for that purpose. The pressure of compressed air was increased and it held that baggs of sawdust against the opening until planks and timbers could be placed in position.

MINERS MET AT WILKESBARRE.

President Roosevelt Will Deliver an Address—Great Crowd Expected.

Wilkesbarre, Pa., August 11.—From every section of the anthracite region miners and temperance workers came here today, thousands arriving on the early trains, and before daylight the crowds of people with lunch boxes and umbrellas had camped out in advantageous spots to await the arrival of President Roosevelt.

Mayor Kirkendall said that he expected there would be 250,000 visitors in this city. Ice men, milk men, grocers and butchers yesterday delivered two days' supplies and are not on the streets today. All the mines are closed today, many of the mills and stores have shspended business for the day and most of the trades union men will quit work at noon.

The Catholic total abstainance union delegates transacted but little business and at noon the Tenth uniformed cadets and soldiers of two regiments of the order paraded. This parade ended in time for the regiments to line the streets and keep back the great crowds.

Negro Confessed to Incendiarism.

Lexington, Ky., August 11.—An incendiary fire during the night caused the death of three valuable trotting horses and a barn valued at $10,000 on J. P. Haggins' famous Elmendorf farm. Henry Robinson, a negro, was arrested and he confessed that he applied the torch, but insisted that a white man whose name he gave to the police, paid him to do it.

American Killed in France.

Paris, August 11.—Alan White, an American 18 years old, was killed today at Palus in the department of Golesdunord. He was caught in the tide while walking on the beach and attempted to climb the cliffs. He reached the summit of the cliffs but lost his hold and fell a hundred feet. [illegible]

TWELVE NEW CASES AND FIVE DEATHS

Many Marine Surgeons Arrive to Assist Dr. White.

DEATH RATE IS DIMINISHING

Citizen Do Not Seem Alarmed and Believe that the Plague Will Soon Be Stamped Out—Tribute Is Paid Archbishop Chappelle.

New Orleans, Aug. 11.—Twelve new cases of yellow fever and five deaths have been reported by the board of health officials.

New Orleans, August 11.—The surgeons are arriving here today to join the staff of Surgeon White, who has direct charge of the fever fight. Dr. John McMullen, W. C. Rucker and E. A. Sweet came here today. All three are non-immunes, but have come readily to bear their share in the fight.

Dr. White now has enough surgeons here to keep in touch with every sectio nof the city. He will have all the additional assistance he needs from local physicians.

Today's early report of 11 new cases and five deaths promised a considerable total at the end of the day. One of the deaths was in the Emergency hospital, the others in scattered locations.

Surgeon White announced today that he had received permission to reopen the detention camp at Avondale and it will be refitted and be ready in a day or two. The camp was closed at the time that Texas refused t permit passengers to go through that state without detention at the Texas state line. Railroad men are pleased at the announcement of the re-opening of the camp because it will contribute to the resumption of passenger traffic. It is thought the proclamation of the state board of health will soon result in the passage of ordinances by all the parish and municipal boards permitting persons to enter their limits who have certificates of the marine hospital service.

The report of New cases in New Orleans up to noon today showed the same number for the morning hours as announced yesterday. There were two more deaths for the same length of time, however. It seems altogether probable that the new cases for today will approximate the number announced last night.

The district south of Canal street, which is the original source of infection. It is understood that quarantine regulations generally will be relaxed as soon as conditions in New Orleans show a betterment, but the repors of the past three days do not tend to increase the hope that the restrictions will be modified for some time. An encouraging feature of the situation is the gradual but steady decline in the death rate. The weather in New Orleans today is warm and showery.

There are 27 cases at Patterson, La., but nearly all of them have been previously announced.

Bon Ami, La., reports two cases in a nearby lumber camp.

Pay Tribute to Dead Bishop.

New Orleans, August 11.—Although the casket is completely closed allowing no exposure of the face, many people today visited the ancient St. Louis cathedral where the body of Archbishop Chappelle is lying in state and in the crypt of which it will be laid to rest on Saturday. When the death of the archbishop was announced, those having in charge the funeral arrangements assumed that as the cathedral is in the infected quarter, it would be advisable to bury the remains at once, postponing formal memorial services until lated in the year. Subsequently, however, Surgeon White, of the Marine Hospital service, was called into consultation and he gave his approval to a more elaborate funeral, saying that there was no danger at all of infection or contagion from the body.

Death Rate Is Declining.

The announcement of 42 new cases in the preceding 24 hours made little impression on the public in view of the small number of deaths, people generally expecting that for some days there will be a large quantity of unreported cases turned up. The death rate for some time has been steadily declining, showing the results of efficient scientific treatment. At the beginning it exceeded 25 per cent, but now has dropped to 17. In 1878 all throughout the epidemic it was about 29 per cent. It is taken for granted therefore that there has been a decline in the virulency of the disease, the heavy death rate at first being due to the fact that the stricken Italians courted death by their refusal to summon doctors of if they did, by their refusal to follow the directions given them. The first death to occur uptown for nearly two weeks appears in today's record. It is that of an Italian woman near the Ninth street market. Her case came from the original infection.

Loosening of Quarantine Regulations.

Favorable and unfavorable advices come from the country concerning quarantine regulations. Lafayette has refused to abide by the uniform quarantine proposed at the recent conference, but other parishes are giving their approval. Madison Parish furnishes another instance of irritational quarantine, both freight and drugs being barred. The fact, however, that there are suspicious cases in Tallulah, in that parish, may cause an amelioration of the quarantine there.

First Vice President Thompson, of the Southern Wholesale Grocers' association, after an investigation of local conditions has sent much exaggeration in special dispatches concerning the situation, that with the marine hospital service in charge complete confidence in New Orleans, that business with few exceptions is moving along slowly, that the truth of the mosquito theory will undoubtely be proven and that there will be practical eradication of the fever before frost comes.

Fruit company Discontinues.

Owing to the difficulties it has met with at Mobile after being forced to divert its ships from New Orleans, the United Fruit company, it is learned, has decided temporarily to discontinue its Colon business. Two more steamers are now completing cargoes there and will bring them to New Orleans under six days' detention, but thereafter no more steamers will be sent to that port while fever exists.

The New Orleans Cotton Exchange has made a $2,500 contribution to the fund desired by the government. Governor Blanchard announces that the state appropriation of $100,000 to the fund will b eadvanced to the marine hospital service in sums of $20,000 each.

Negro Methodists to Meet.

New York, August 11.—Bishop Alexander Walters, of the African Methodist Episcopal Zion church, chairman of the executive committee of the Afro-American council, and Dr. William R. Steward, the president sent out the formal calls yesterday for a convention of the council to be held in Detroit, beginning Aug. 30. The call is addressed to the Bishops of the negro churches, presidents of leading organizations and prominent churchmen and laymen. The bishop calls attention to many recent happenings such as the race riots in one of New York's negro quarters and declares that the time has come for the derelict members of the Afro-American council to arouse themselves and do something to check this onslaught upon their civil and political rights.

Engineer Saves a Man's Life.

Union, S. C., August 11.—Lying helpless on the railroad track, apparently seeking death, W. A. Horn, of Nashville, Tenn., was just saved from being crushed under the wheels of the [illegible] freight by the engineer who stopped his train and removed the man from where he lay, a few feet in front of the engine. The man was taken into custody and it was found that he was under the influence of liquor. As he could give no reason for being on the track, it was supposed that he was attempting to commit suicide. He was fined in the mayor's court and released.

MISTRIAL DECLARED IN SANFORD CASE

Jury Was Out Seven Days and Could Not Agree.

JUDGE ANXIOUS FOR VERDICT

He Believes It Will Now Be Impossible to Try Case in County Again, and a Change of Venue Will Be Necessary for New Trial.

Rome, Ga., August 11.—After being out on the case of Vincent [illegible] Sanford, since last Friday morning, the jury announced that a unanimous verdict was impossible.

Judge Wright then declared a mistrial and the jury was dismissed with the thanks of the court.

It had been stated that it was the wish of Judge Wright that they reach a verdict. He stated that it was his belief that another jury would be difficult to secure for the reason that so many persons of the county have heard all or a part of the testimony in the present trial.

It was also stated that Judge Wright was of the opinion that a change of venue might be necessary for the second trial.

20,000 BALES OF COTTON BURNED.

Staple Was Piled on Docks at Seaport In Japan.

Seattle, Wash., August 11. When the Kanagwa Maru left Kobe on her last voyage to Seattle there were more than eighty ships either at the docks of that port or lying in the harbor awaiting their opportunity to discharge their cargo and for the most part consisted of cotton. Shortly before the departure of the Kanagwa a fire started in this vast amount of cotton and before it could be extinguished had destroyed some 20,000 bales.

Captain Wales states that the loss was scarcely noticeable to the eye as observed, and that the space occupied by the burned cotton has been filled with, almost immediately with other bales which were discharged from other ships. The greater portion of the cotton is American product, although a small proportion is from India.

Captain Wale states that a large amount of cotton weaving machinery is being installed in Japan and that the manufacture of cotton there is rapidly becoming a great industry in the land of the Mikado.

Bennington's Memorial Association.

Sandiego, Calif., August 11. At a meeting of the board of control of the Bennington Memorial association an advisory board containing the names of citizens prominent in the state nation was selected. The list will include President Roosevelt, Secretary of the navy, Mr. Bonaparte, Secretary Morton, the national commander of the Grand Army of the Republic and Spanish War Veterans, the president of the Young Men's Christian association, Miss Helen Gould, Mrs. Goodrich and McCalla, Governor Gillett, Senators Perkins and [illegible] the eight congressmen from [illegible]. Notification of the appointments will be sent, and it is hoped that the majority of those named will accept.

Oldest Resident of Illinois Dead.

Chicago, August 11.—Caleb Osborne B. Osier, believed to be the oldest resident of Illinois, died yesterday at the age of 105. He was born in Pa. In 1861 he enlisted in the army and was assigned to the Mississippi river service. Under Admiral Porter on whose ship he was an officer he took part in the river battles between Orleans and Vicksburg. After the war he became a life insurance agent and was engaged in active business until a year ago.

Half Crop of English Walnuts.

Ventura, Cal., August 11. [illegible] lish walnut crop of this county will be but half or about 1,000 tons of that of last year, when 1,900 tons were shipped. As to size and quality the new nut promises well.

HOG TOWN CREEK IS NOW A RIVER

Fording on the Newberry Road Extremely Dangerous.

THE WATER FLOWS FIERCELY

The Flood Has Caused Considerable Inconvenience to Travelers, Who Are Compelled to Seek Relief at the Bennington Road Bridge.

Hog Town creek, a short distance west of this city, is now a raging river, caused by the continued heavy rains, and it is said by those who have attempted to cross that this is a most hazardous undertaking.

There is no bridge across Hog Town creek on the Newberry road leading through Cunningham's lane, because of the fact that ordinarily the stream is only a few inches deep, the approaches are good, and a bridge has not been deemed necessary. The rains, however, have swelled the stream to such an extent that it is the heighth of folly to attempt to ford it. The water has backed away out into the surrounding swamp, and in many places the depth of water is over the average horse's head.

This condition of affairs has caused considerable inconvenience and delay in traveling. The Hog Town creek bridge, on the Bennington road, is four miles, by the route one is compelled to go, from the Newberry road ford, but people driving to and from Gainesville have been compelled to turn back at this ford and use the Bennington road bridge.

The rains in this section, which have been almost continual for the past three weeks, have been the heaviest known for many years, and have caused a great deal of damage and inconvenience. The low lands have flooded, running the cattle onto the knolls and away from their feed, the cotton and other crops have been damaged, and, altogether the flood will cost the farmers an enormous sum.

Mississippian Killed in Japan.

West Point, Miss., August 11.—Captain Walter B. Parker, who was killed in the railway accident in Japan was a brother of Mrs. F. A. Critz, wife of Judge Critz, who opposed Governor Vardaman for the nomination in the last state campaign. He was a Mississippian of great popularity and prominence.

AN ORDINANCE.

An Ordinance to Provide for, Regulate and Require the Widening of Liberty Street in the City of Gainesville, Florida, so to Make Said Street an Eighty Foot Street from a Point where the Gainesville and Gulf Railroad Crosses said Street, thence West to the Corporate Limits of said City.

Be it Ordained by the Mayor and City Council of the City of Gainesville, Florida:

Section 1. That the Chairman of the Street Committee be and he is hereby authorized to widen Liberty street in said city from a point where the Gainesville and Gulf Railroad crosses said street, thence west to the corporate limits of said city, making and widening said street so that the same shall be from said point an eighty foot street in width. The Chairman of said Street Committee shall acquire from the property owners fronting or abutting upon either side of said street proper deeds from said owners to a sufficient amount of land along said street where the same is to be widened so as to make said street an eighty foot street, or said Chairman of the Street Committee shall cause to be instituted the necessary and proper legal steps or proceedings to acquire said property by condemnation as provided by law.

Sec. 2. That the cost of acquiring said property as provided in section one of this ordinance shall be paid by the special assessment of said cost against the property fronting or abutting upon said street, in proportion to the frontage of the property fronting thereon, said special assessment being made per front foot of the abutting property thereon. The estimated total cost of the widening of said street is Three Thousand Dollars, and the estimated amount per front foot of the special assessment to be levied upon the abutting property fronting on said street where the same shall be widened is Two Dollars.

Sec. 3. The special assessments shall become due and payable when the widening of said street shall have been completed from the point where such widening begins to the point where the same ends, and when the City Council shall fix the special assessment as herein provided. The said City Council shall within thirty days after the completion of the widening of said street as herein provided meet and by resolution fix the special assessment per front foot upon the property abutting or fronting upon said street where the same shall be widened, said special assessment not to exceed the actual cost of such widening or the estimated special assessment per front foot as stated in this ordidance. Said resolution shall, immediately after its passage, be published one time in a newspaper published in said city.

Sec. 4. That this ordinance shall be published in a newspaper published in said city once each week for four weeks, and the said City Council shall meet on Monday, the 25th day of September, 1905, at eight o'clock p. m., in the Council Chamber, and at said meeting shall permit any owner of or other person interested in the property against which the special assessment provided for by this ordinance shall be levied to present their objections to the enforcement of the requirements of this ordinance.

Sec. 5 That this ordinance shall take effect immediately upon its passage and approval.

AN ORDINANCE.

An Ordinance to Provide for the Appointment of Bond Trustees, for the Engraving of Bonds and Interest Coupons, for the Sale Thereof and Disposition of Proceeds of Said Sale, and to Provide for the Levy and Collection Annually of Such Special Tax as May be Necessary to Pay Said Bonds and the Interest Thereon.

Whereas, Under and by virtue of the provisions of an ordinance entitled "An Ordinance to Provide for an Election to Determine Whether or Not Bonds Shall be Issued for the Purpose of Securing Educational Advantages and Facilities in or Adjacent to Said City," published July 3rd, 1905, an election was held in the said City of Gainesville, Florida, on the 8th day of August, 1905, to determine whether or not the issuance of bonds proposed by said ordinance should be at that time approved by a majority of the votes cast by the registered voters of said city; and

Whereas, Said ordinance was published in The Gainesville Sun in full, a newspaper published in said city, for thirty days after its passage and approval; and

Whereas, Along with the publication of said ordinance there was published therewith, at the same time, in the same newspaper and for a period of thirty days, the Mayor's proclamation calling said election provided for in said ordidance; and

Whereas, In and by said ordinance the issuance of bonds to the amount of Fifty Thousand Dollars is provided for, and the purposes for which such issue of bonds is to be used is expressed in general terms; and

Whereas, At said election so held on the 8th day of August, 1905, the issuance of said bonds for the purposes mentioned in said ordinance provided for was approved by a majority of the votes cast by the registered voters of said city at said election; now, therefore,

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF GAINESVILLE, FLORIDA

Section 1. There is hereby created a board of bond trustees to be known and designated as "Educational Bond Trustees," to consist of three members, whose duties it shall be to receive said bonds as soon as the same are engraved and executed, and to sell the same at not less than par, and to dispose of the proceeds as provided by this ordinance.

The first Board of Educational Bond Trustees shall consist of E. Baird, Christopher Matheson, J. S. Bedford. Their term of office shall be one year, and their successors shall be elected by the City Council. Said board shall elect from their number a chairman and a secretary. All vacancies in said board shall be filled by election by the City Council.

Sec. 2. The Mayor, the Chairman of the Finance Committee of the City Council and the Chairman of the said Board of Educational Bond Trustees, shall have engraved five per cent coupon bonds of the City of Gainesville, to be known as "Educational Bonds of the City of Gainesville," to the amount of Fifty Thousand Dollars and the denomination of One Thousand Dollars each, dated the First day of September, 1905, which date shall be the date of issue, bearing interest at the rate of five per cent per annum, payable semi-annually, at the bank of H. F. Dutton & Co. or the office of the City Treasurer, in said city, with engraved interest coupons attached thereto payable at the end of periods of six months from the date of bonds. Said bonds shall be executed by the Mayor and the President of the City Council and shall bear the corporate seal of said City of Gainesville, and the coupons shall bear the engraved signature of the President of the City Council.

Both principal and interest shall be made payable in gold coin of the United States of the present weight and fineness.

Sec. 3. Said Board of Educational Bond Trustees shall adopt and use a common seal, and they shall receive no compensation for their services. Said Educational Bond Trustees shall enter into a good and sufficient bond with one or more sureties, payable to the Mayor of said city and his successors in office, in the sum of One Thousand Dollars, conditioned for the faithful performance and discharge of their duties.

Sec. 4. That said bonds shall be made payable to bearer, and shall be delivered by said Educational Bond Trustees only after being countersigned by the Chairman and Secretary with their seal attached, whereupon said bonds shall become payable to the lawful bearer thereof.

Said bonds shall be, as soon as engraved, delivered to the said Board of Educational Bond Trustees. It shall be the duty of said Board of Educational Bond Trustees, when any bond is sold or issued by them, to register the same in a book to be kept for that purpose.

Sec. 5. That said bonds and the coupons attached shall be in the following words and figures, the blanks left for the number and the date upon which the bond may become due and payable to be filled in as the number and date to become due and payable of the bond may render necessary, twenty of said bonds to become due and payable in ten years from the date of issue, fifteen of said bonds to become due and payable in twenty years from the date of issue and fifteen of said bonds to become due and payable in thirty years from the date of issue:

Sec. 6. For the further protection of the citizens of Gainesville and the holders of said bonds, the Treasurer of said city shall be required to give a special bond, to be approved by the Mayor, in the sum of Ten Thousand Dollars, conditioned for the honest and faithful performance and discharge of all duties devolving upon him under the provisions of this ordinance, and may from time to time be required to give any additional bond so conditioned should the City Council by resolution deem it advisable. Said bond shall be payable to the Mayor and his successors in office.

Sec. 7. The City Clerk and Treasurer or other agents or officers collecting or receiving money from any assessment, tax or other source to be applied to the payment of said bonds, or any part of them, or to the sinking fund or interest thereon, or any portion thereof, shall each make on the first day of each and every month written report in duplicate of the amount of money collected or received for such purpose, from whom and when collected, or received, and the amount collected or received from each person and of all payments by him made under the provisions of this ordinance, such report must embrace a detailed exhibit of all coupons collected, received, paid or taken up by such officer or agent, stating particularly the date when each coupon has been collected, received, taken up or paid, and the number of bond from which the several coupons are detached, and the date of maturity of each; also a statement of all bonds redeemed, paid or purchased, with the number of each bond, the date of redemption, payment or purchase, from whom received and the amount paid for each.

One of said reports shall be, on or before the third day of the same month, filed with the City Clerk and the other with the Secretary of the Board of Educational Bond Trustees.

Sec. 8. It shall be the duty of the City Treasurer or other agent or officer receiving or accounting for bonds or coupons redeemed, paid or purchased, to cancel the same when received, in the presence of the person from whom he shall receive them, and to deliver all such bonds and coupons to the said Educational Bond Trustees, together with his report above mentioned, each month.

Sec. 9. The City Treasurer, by and with the advice and direction of the Board of Educational Bond Trustees, shall from time to time apply all the moneys that may come into his hands as a redemption or sinking fund to the purchase of said bonds at their market value, or shall, under the same direction, invest the said money in bonds of the United States or the State of Florida, or in such other bonds or securities as shall be approved by said Trustees and as may seem to them advisable.

Sec. 10. It shall be the duty of the Board of Educational Bond Trustees, on or before the first day of February of each and every year, to report to the City Council the number of said bonds outstanding, with an estimate of the amount necessary to be raised for interest and sinking fund, which statement and estimate shall serve as a basis of assessment by the City Council for the ensuing year.

Sec. 11. The Educational Bond Trustees are hereby authorized to sell at not less than par and to deliver the Fifty Thousand Dollars of the authorized bond issue of Educational Bonds of the City of Gainesville, and said Educational Bond Trustees are hereby further authorized and empowered to use the proceeds of said sale for the purpose of acquiring, building or purchasing a building or buildings for school purposes or to otherwise secure with said proceeds educational advantages or facilities in or adjacent to said city.

Sec. 12. This Ordinance shall become effective immediately upon its approval by the Mayor.

MELTON A HEAVY LOSER ON LUMBER

One Million Two Hundred Thousand Was Burned Thursday.

THE AGGREGATE LOSS GREAT

It Will Amount to About $15,000 and It Has Been Stated That the Owner Carried No Insurance—Mr. Melton Received Information in Georgia.

The Miranopy section has been visited by another disastrous fire and C. E. Melton was the victim for the second time within three months. The lumber yard of Mr. Melton, together with all its contents, was destroyed by fire early Thursday morning, when the stock on hand, 2,200,000 feet of boards and timber, valued at $15,000, was destroyed.

Mr. Melton seems to be a creature of misfortune. Less than three months ago the fine saw mill plant, one of the most modern in the county, was destroyed by fire, entailing a serious loss. The loss which was really the saving of the first conflagration, comes as a more severe blow, since it has been stated that there was no insurance on the property, lumber being a transient commodity. The lumber was thoroughly seasoned, with the result that it burned rapidly when a headway was gained.

The origin of the fire is not known, but it has been intimated that it was incendiary.

A strange co-incidence of this event is the fact that Mr. Melton was in Georgia when the conflagration occurred and when his mill burned he was also spending a short time in that State. He left Miranopy Wednesday for Albany, Ga., where he intends joining his family who are sojourning there. Before he had proceeded very far the lumber was burned, and he received the information while en route at Tallahassee, Ga., the telegram having been delayed to him on the train. When the mill was burned the information reached him in the same manner.

Friends of Mr. Melton sympathize with him in his misfortune and if the origin was incendiary it is hoped that he will be successful in running down the culprits.

Decrease in Iron Production.

Cleveland, August 11.—The Iron Trade Review says this week: Our [illegible] statistics for July show a [illegible] of 1,719,728 tons against [illegible] in June, a decrease of [illegible]. As the intense heat of [illegible] the humidity of the atmosphere [illegible] to a considerable extent [illegible] operation of many furnaces, the decrease in production is [illegible]. While there is not as much [illegible] work held by merchant furnaces, [illegible] reports indicate large [illegible] made for future delivery. [illegible] whole the statistics reveal a [illegible] favorable condition than [illegible].

Crushed to Death by Engine.

Atlanta, August 11.—D. M. Hogg, 36 years old, foreman of the National [illegible] company, was run down and [illegible] mangled by an engine [illegible] Marta in the rear of the [illegible]. He died in a private [illegible]. Mr. Hogg is survived by one son, both of whom [illegible] Hamm and Turner ferry [illegible] city limits.

Gave Up to Die.

"I [illegible] 248 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder trouble which caused me much worry. I lost flesh and [illegible] was, and a year ago had to quit work entirely. I had three physicians who did me no good, was practically given up to die. Kidney Cure was recommended, the first bottle gave me relief, and after taking the second I was entirely cured." Sold by Dunn & Co.

Diavolo is Injured.

Boston, August 11.—Diavolo, together with the Barnum & Bailey [illegible] who pulled the gag during the performance, failed to do the trick, fell to the ground. He was taken to the hall as soon as [illegible] physicians feared he was injured and would die. He left the circus in charge of [illegible]. Diavolo's true name is [illegible]. His wife keeps the [illegible] automobile and she followed the circus immediately after [illegible] her husband.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition, health, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Troops Bound for Georgia Fort.

San Francisco, August 11.—The transport Buford, Captain Hall, has arrived in port 22 days from Manila. The steamship came direct from Nagasaki, carrying 117 cabin and 142 steerage passengers, besides the troops who are returning from the Philippines. These consisted of the Seventeenth infantry bound for Fort McPherson, Ga., and the Third squadron of the Thirteenth cavalry, which is bound for Fort Sill, O. T. Colonel Van Orsdale is in command of the Seventeenth infantry.

Herbine

Renders the bile more fluid and thus helps the blood to flow. It affords prompt relief from biliousness, indigestion, sick and nervous headaches and over indulgence in food and drink. W. L. Caldwell, agent M. K. & T. R. R., Cleveland, Ind. Ter., writes, April 28, 1902: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good and I had given up all hope of being cured when my druggist advised me to use Herbine. It has made me sound and well." Sold by W. M. Dickinson.

Young Ladies Drown in Whirlpool.

Vancouver, B. C., August 11.—By the capsizing of a boat in a whirlpool at Christina lake, near Grand Forks, B. C., Miss Agnes B. Rickie and Miss Ida Anderson were drowned. Three others in the party managed to reach shore in an exhausted condition. Miss Rickie resided in Vancouver and Miss Anderson's home was in Minneapolis.

Peculiar Disappearance.

J. D. Runyan of Butlerville, O., had the peculiar disappearance of his painful symptoms of indigestion and biliousness to Dr. King's New Life Pills. He says: "They are a perfect remedy for dizziness, sour stomach, headache, constipation, etc." Guaranteed at all drug stores; price 25c.

Naval Squadrons at Work.

Tokio, August 11.—Rear Admiral Kataoka reports that he has dispatched one naval squadron to Kamchatka and another to Okhotsk, and that they are now engaged carrying out their instructions in regard to the work to be performed at their respective stations.

If the Baby is Cutting Teeth

Be sure and use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty-five cents a bottle.

Sugar Beet Subsidies

New York, August 11.—A bill was passed by the Chilean congress yesterday, according to a special dispatch to a Herald dispatch from Valparaiso, subsidizing sugar beet root producers.

Perry, Taylor county, is threatened with a large department store.

Large cargoes of lumber are being shipped from Pensacola to Italy and Holland.

Many people are moving into Jasper to take advantage of the schools at that place.

It costs the city of Pensacola upwards of $65,000 a year to run its police and fire departments.

The taxpayers of Duval county will pay a tax levy of 16 mills and a State levy of 6 mills, making a grand total of 22 mills.

Taylorville, Lake county, has grown so rapidly in the past year that they are to have a graded school, with Mrs. Hunter as teacher.

Judge Laney has decided that Mayor Bliss of Pensacola did not steal the dynamite. It was a mean fellow who insinuated that he did.

Within the past four months $125,000 worth of cattle have been shipped from Punta Gorda to Cuba. A bunch of 650 were shipped Wednesday.

The first bale of Sea Island cotton was taken to the Florida Ginning Company at Lake City, Wednesday, by Z. Brown, one of Columbia county's thrifty farmers.

A. J. Giles, a trusted foreman on the S. A. L. at Fernandina, was run over by a freight train in that place Wednesday and killed instantly. He was frightfully mangled.

Several towns in the State are after the Gainesville & Gulf Railway, desiring a branch run to their respective towns. Lake City wants the track torn up at Sampson City and the line run to that city.

The Hillsborough County Medical Association held a meeting at Tampa Wednesday, Drs. Porter and Guitteras being present. Dr. Guitteras, who is the noted Havana physician, delivered an able lecture.

In the municipal election at Fort Myers Wednesday, W. D. Bell was elected by seven majority over the high man of the four other candidates. The members of the city council are all said to be good business men.

A new order has been founded in Tampa to be called the Memorial Order of the Confederacy. The first chapter will be known as R. E. Lee Chapter No. 1. The purpose of the order is to provide a burial fund for Confederate soldiers or any member of their family. The auxiliary chapters for women will be known as Winnie Davis chapters. The new order carried with it a funeral benefit of $250, and all old Confederate soldiers, their sons and daughters, are eligible for membership.

Joseph McCoy was shot and killed by John Heart on the night of the 6th. They both worked for the Edge Lumber Company at Taylorville. At the inquest held by Judge Laws, the jury rendered a verdict of justifiable homicide. As McCoy had threatened to shoot John Heart the evening previous, the latter had gone out into a small camp about two miles to get away from him. McCoy hunted him down, and found him there and began shooting. Four shots were fired by McCoy, when Heart took up a gun loaded with buckshot and settled the question for life.

THE YELLOW FEVER.

It Breaks Out in the French Asylum. Outlook Gloomy.

New Orleans, August 11.—The outlook for checking the spread of the fever is not so favorable, but the deaths do not reach so high an average. There are three cases reported in the French asylum, the first in any public institution. Twenty-three new cases were reported up to noon today and three deaths.

New cases are breaking out at St. Mary's parish and also in St. Charles.

Montgomery Quarantines.

Montgomery, Ala., August 11.—This city has put up a quarantine against the world. The only fever patient is doing well. No new ones.

A Delightful Affair.

Miss Lillie Pringle, a charming young lady of Sumter, S. C., was the guest of honor Thursday evening at a party tendered complimentary to her at the Pearce House, East Liberty street, by Mrs. W. P. Coffey.

There were present seven couples, and the evening was passed in a most enjoyable manner, refreshments being served incidentally.

Miss Pringle is a sister of Mrs. J. H. Earle, and is visiting her here. Since her arrival she has made many friends, all of whom will regret the hour of her departure.

A Worm Killer.

J. A. J. Montgomery, Puxico, Wayne county, Mo., writes: "I have little twin girls, who have been bothered with worms all their lives. I tried everything to relieve them, which failed until I used White's Cream Vermifuge; the first two doses brought four worms from one of them, the next two doses, twelve, one of them measuring twelve inches; the other child was only relieved of four worms. It is an excellent medicine." White's Cream Vermifuge is good for children. It not only destroys worms—it helps the child to perfect growth, wards off sickness. Sold by W. M. Johnson.

Justice Colman's Court.

Deputy Sheriff L. E. Story of Windsor brought to the city Friday, Washington Weathers, colored, whom he arrested upon a charge of carrying concealed weapons. The prisoner was arraigned before Justice Colman, when a sentence of $100 and costs or three months in the county jail was passed. Not having the "wherewith" to pay his fine, Weathers will spend the next quarter in taking lessons in the manufacture of naval stores.

Cured Hay Fever and Summer Cold.

A. J. Nushbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it cured me. My wife has since used Foley's Honey and Tar with the same success." J. W. McCollum & Co.

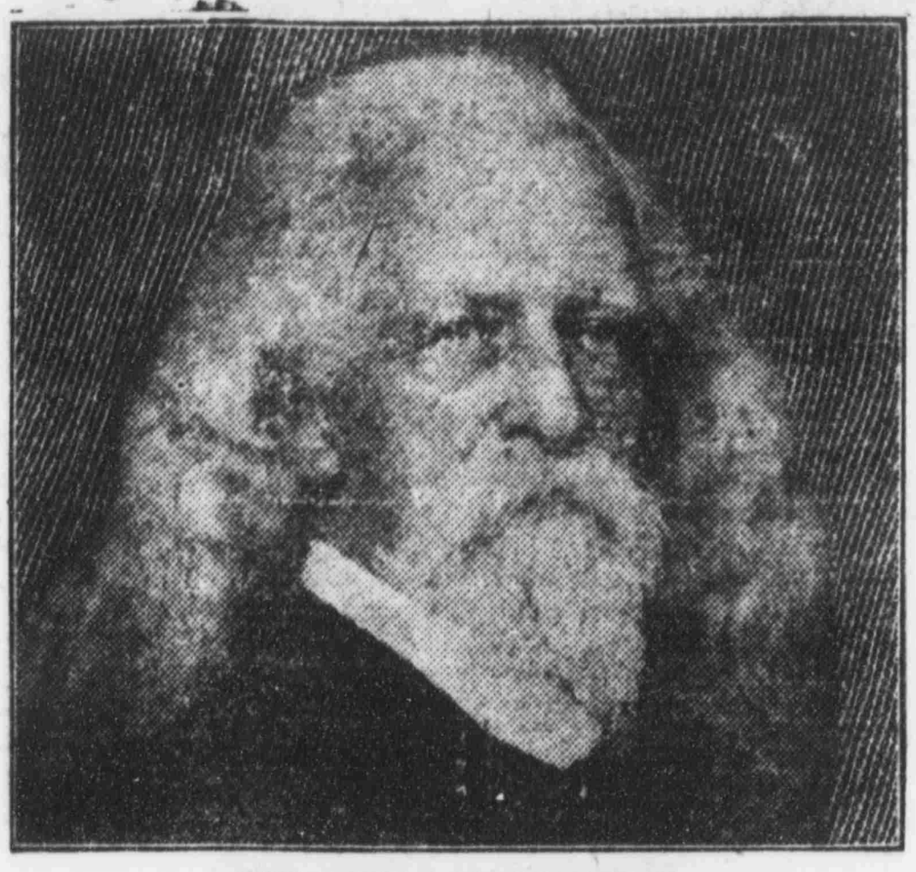
A COMRADE OF GENERAL GRANT

Says: "I Do Not Believe Pe-ru-na Has a Superior."



COL. BENJ. F. HAWKES.

Col. Benj. F. Hawkes, of 611 G street, S. W., Washington, D. C., is one of the three living comrades of General Grant in his cadet days at West Point. In a recent letter this venerable gentleman says of Peruna:

"I have tried Peruna after having tried in vain other remedies for catarrh, and I can say without reservation that I never felt a symptom of relief until I had given Peruna the simple trial that its advocates advise. I do not believe it has a superior either as a remedy for catarrh or as a tonic for the depressing and exhausted condition which is one of the effects of the disease."—Benj. F. Hawkes.

The Greatest Family Medicine Ever Discovered.

Hon. Wm. G. Hunter, ex-member North Carolina Legislature, writes from the Census Office Building, Washington, D. C., as follows:

"The greatest family medicine ever discovered, in my opinion, which comes from experience as well as observation, is Peruna. The most common affliction to humankind is a bad cold. Peruna drives it out of doors, wards off catarrh, invigorates and gives fresh strength to mind and body. I give Peruna my unqualified endorsement."—Wm. G. Hunter.

Chronic Catarrh of the Stomach Cured By Pe-ru-na.

Jas. T. Jakeman, President Elder Morman Church, Salt Lake City, Utah, writes:

"I should be and am a very grateful man for having been recommended the use of Peruna for catarrh. I had a chronic case of catarrh of the stomach and my system was so filled with different remedies that I had taken, that I sickened at the sight of a medicine bottle. Peruna was a last resort and it did not fail me, but cured me in about three months and I feel that it is a wonderful remedy and gladly give my experience from its use."—Jas. T. Jakeman.

Pe-ru-na Proved a Life Saver.

Mr. Louis Byrens, auctioneer, commission merchant and business broker, 436½ Richmond street, London, Ont., writes:

"I had been a sufferer with what physicians diagnosed as chronic catarrh. I thereby lost the necessary speaking faculties, which almost caused me to discontinue the business of auctioneer.

"After spending several hundred dollars for various medicines and doctor bills without avail, your wonderful remedy, Peruna, was recommended to me.

"After using several bottles of this life saver, I found relief, and I am again capable of conducting my auction sales. I wish to convince others, likewise afflicted, of the merits of your great remedy."—Louis Byrens.

Thousands of Testimonials.

We have on file thousands of testimonials like the ones given here. We can give our readers only a slight glimpse of the vast array of unsolicited endorsements of Peruna which we are constantly receiving.

Pe-ru-na is a Catarrhal Tonic Especially Adapted to the Declining Powers of Old Age.

In old age the mucous membranes become thickened and partly lose their function.

This leads to partial loss of hearing, smell and taste, as well as digestive disturbances.

Peruna corrects all this by its direct operation on all the mucous membranes of the body.

One bottle will convince any one that it is used and Peruna becomes a lifelong stand-by with old and young.

Mr. Charles F. Benetsson, Trinidad, Mo., writes: "I have followed your instructions for the past month and am now as well as I can be at the age of eighty-four years. I thank you for your valuable instructions and advice. I first used Peruna fourteen years ago when my health was so bad that I had no hope of staying many days, and after using it began to pick up. It has helped me ever since. I feel well, but will always have Peruna as my companion."—Charles F. Benetsson.

As Well As Can Be At the Age of Eighty-four Years

Suffered a Number of Years From Systemic Catarrh.

Used Peruna as Last Resort, Now in Good Health.

Mrs. E. Schoncher, 220[illegible] S. Olive St., Los Angeles, Cal., president of the Friendly Society, also secretary South Los Angeles Travelers Club, writes:

"I was for a number of years a sufferer from systemic catarrh. I was very nervous and run down, my appetite had failed me and my sleep was not restful. I had lost much in weight and looked like a very sick person. My ***physician advised a change of climate and the medicine I took only gave me temporary relief.***

"I tried a bottle of Peruna as a last resort and was greatly pleased to find that I felt much improved in a general way and then I bought several bottles more.

"I am now in good health and have good appetite and sleep well. I cannot say too much for Peruna and for what it has done for me."—E. Schoncher.

Pe-ru-na Contains no Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

Mayor's Residence Buglarized.

Chicago, August 11.—Mayor Edward F. Dunne's residence was burglarized last night a few hours after he returned from his visit to the east. The burglars gained an entrance to the house through a window and succeeded in carrying off about $75 worth of linen. A servant heard the burglars, but they had slipped away before the mayor could be aroused.

To Christen Battleship Kansas.

Chicago, August 11.—Governor Edward F. Hoch, of Kansas, accompanied by his wife and daughter, Miss Anna Hoch, passed through Chicago last night enroute to Philadelphia, where Mrs. Hoch will christen the new battleship Kansas when it is launched.

Rheumatism.

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, proprietor Sullivan House, El Reno, O. T., writes, June 6, 1902: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c and $1. Sold by W. M. Johnson.

"THE GAINESVILLE SPIRIT."

All through the campaign for the location of the State University, the people of Gainesville showed themselves in real earnest in their efforts to win the school. Not a stone was left unturned that was likely to help the cause, and the result was the selection of Gainesville as the site for the University of Florida. This outcome made necessary the fulfilling of certain obligations. The electors of Gainesville met one of the important obligations at the polls Tuesday of this week, when, by a vote of 263 to 3, a bond election was carried by which $50,000 will be secured for the improvement of the educational facilities of the city.

A practically unanimous vote indicates the spirit of unity that actuates the citizenship of the new University city on behalf of the noble cause of education. The result of Tuesday's vote shows that the University of Florida will receive loyal support from the people of Alachua county.

Such an assurance must cause a great deal of satisfaction to President Sledd and the faculty of which he is the official head.

The "Gainesville spirit," if allowed to find voice in other portions of the State, would make of Florida the greatest of Southern States.—St. Augustine Record.

Yes, and during all the time the people of Gainesville never fired one of those stones at anyone that opposed them. Whatever was gained was done by honest work, and the same honesty of purpose will be shown at all times by our people, and the good opinion of all will be maintained, if devotion to cause counts for anything.

THE TERM "FOCI."

There has been so much misapprehension over the meaning of the words "foci" and "sub-foci" that the following explanation will be of interest to many readers of The Sun:

"The word 'focus,' of which 'foci' is the plural form, in its original sense meant 'fireplace,' and as the fireplace or fireside was always the place of the gathering together of the family, its secondary meaning became 'a center.'

"It is a naturalised, not a derivative word, as it was adopted from the Latin into the English in unchanged form. Its first use in English was by Kepler in 1604, and was for a long time a technical word used in the branch of physics known as optics, and meant either the point of convergence or divergence of rays of light.

"It is now used figuratively in any connection, simply denoting a converging point of interest or attraction from which rays (figuratively) may diverge.

"As a medical term its meaning is a center of infection, and sub-foci means other centers towards which the disease has converged and from which the disease may spread.

"As, for instance, the first case of yellow fever in New Orleans is regarded by the physicians as the original focus, each new case traceable to that case is a sub-focus, but each new case not traceable to that case is a new or original focus; thus they speak of foci and sub-foci. The aim of the board of health is to so insulate every focus that from it can be disseminated no sub-foci. The way to prevent the original foci is yet to be discovered.

"When Pandora's box was opened each noxious, flying thing that emanated was a 'focus.'"

At the beginning of the war she explained that her ownership of the Siberian railroad and a fleet of transports would enable her to carry on war with very little more than peace expenditure.

BEGINNING TO BELIEVE.

The Gainesville Sun has been pounding away so long and so persistently upon the many advantages of Gainesville that we are beginning to believe that Gainesville is one of the best towns in the State.—Pensacola Journal.

We are gratified to know that we have made an impression on The Journal, which we have always considered to be possessed of good judgment. But now that The Journal is "beginning to believe," we hope in a short time to strengthen that belief. It would not be hard to make the fact apparent to a man of good judgment, if he would only come here and see for himself.

There has been a steady growth in Gainesville for over two years that has almost bordered on to a boom, and still the good work goes merrily on. Every man who wants work can find it here, and we feel sure that it is "one of the best towns in the State."

Some of those fellows who have been angling around to get some one to mention their name for governor, and then respectfully decline to consider the matter for various reasons, will be going around behind the cylinder and kicking themselves for having too much modesty when they discover that the people were so quick to take them at their word.

The national organization has refused assistance to the Jacksonville Carpenters Union in their present strike, claiming it was not regular. It is regular enough to create trouble among the contractors and builders. Possibly they struck before the iron was hot.

Tired Nervous

When you feel languid, tired, nervous and irritable, your vitality is low—your supply of nerve energy exhausted, and your system running down for lack of power.

The organs of the body are working poorly, or not at all, and you are not getting the nourishment needed. This soon impoverishes the blood and instead of throwing off the impurities, distributes it all through the body. This brings disease and misery.

Feed the nerves with Dr. Miles' Nervine, a nerve food, a nerve medicine, that nourishes and strengthens the nerves, and see how quickly you will get strong and vigorous.

"My wife suffered with nervousness previous to a recent attack of typhoid fever, but after her recovery from the fever, she was much worse, and could hardly control herself being exceedingly nervous when the least excited. She was very restless at night, and never had a good night's rest. She also suffered much from nervous headache. Dr. Miles' Nervine was recommended by a friend. After the first three doses she had a good night's rest, and at the end of the first week's treatment she was wonderfully improved. Continued use of Nervine has completed her entire cure."

AN ORDINANCE

Providing for the Issuance of Bonds and the Creation of an Executive Board Under the Provisions of an Act of the Legislature of the State of Florida, entitled "An Act Extending and Enlarging the Territorial Limits and the Powers of the City of Gainesville, a Municipal Corporation Organized and Existing in Alachua County, Florida, and Providing for the Exercise of those Powers."

Be it Ordained by the Mayor and City Council of the City of Gainesville, Florida:

Section 1. The Mayor and the City Council of the City of Gainesville, in their corporate capacity, under authority of an Act of the Legislature of the State of Florida, entitled "An Act Extending and Enlarging the Territorial Limits and Powers of the City of Gainesville, a Municipal Corporation Organized and Existing in Alachua County, Florida, and Providing for the Exercise of those Powers," approved A. D. 1905, hereby provide by ordinance for the issuance, from time to time, as hereinafter provided, of bonds of said city, to be known as "Public Utility Bonds of the City of Gainesville," to the amount of One Hundred Ten Thousand Dollars. The principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness, and for the payment thereof, principal and interest, the entire taxable property of said city and the public utilities acquired and owned by said city shall stand pledged by this ordinance. Each of said bonds shall be of the following denomination, viz: One Thousand Dollars. Said bonds shall be dated as hereinafter provided by ordinance, and shall bear interest, payable semi-annually, at the end of periods of six months from the date of the bond. The principal of said bonds shall become due and payable at the following times and upon the following dates, viz: Thirty of said bonds of the denomination of One Thousand Dollars shall become due and payable in fifteen years from the date thereof; Forty of said bonds of the denomination of One Thousand Dollars shall become due and payable in twenty-five years from the date thereof; and Forty of said bonds of the denomination of One Thousand Dollars shall become due and payable in thirty-five years from the date thereof. Said bonds and the interest thereon shall be payable at the office of the City Treasurer of said city. The proceeds arising from the sales of said bonds, at not less than par, and the purposes for which the issue of said bonds proposed to be issued by this ordinance, shall be used, are the following, viz: The monies arising from the sale of sixty of said bonds shall be used to acquire, construct, own and operate a system of sewerage for said city. The monies arising from the sale of fifty of said bonds, or so much thereof as may be necessary, shall be used for the purpose of acquiring, owning, constructing and operating an electric light plant for said city, and for the extension and improvement of said electric light plant. The monies arising from the sale of ten of said bonds shall be used for the purpose of extending and improving, constructing and repairing the streets of said city.

Provided, however, that none of said bonds shall be issued until after the issuance thereof, under the provisions of this ordinance, shall have been approved by a majority of the votes cast by the qualified electors of said city at a special election which shall be held for that purpose on the 10th day of October, A. D. 1905, in accordance with this ordinance.

Sec. 2. The Mayor and the City Council shall levy and collect annually such special tax on the taxable property within the corporate limits of said city as may be necessary to pay the interest on said bonds and to provide a sinking fund for the payment of said bonds.

Sec. 3. Said bonds shall be printed or engraved, with interest coupons attached, payable as by this ordinance provided. Said bonds shall be signed by the Mayor, countersigned by the President of the City Council, and attested by the City Clerk, and shall bear the corporate seal of said city, and the interest coupons shall bear an engraved fac-simile of the signature of the City Treasurer. When said bonds shall have been so signed and sealed, they shall be turned over to the Board of Public Works who shall be Trustees for said bonds, and shall be by said Board offered for sale to the highest and best bidders for cash on sealed bids; but said Board shall have and reserve the right to reject any and all bids and shall not sell any of said bonds for less than par value. The proceeds of the sales of said bonds, as soon as received by the said Board, shall be deposited in a depository selected by said Board and kept by them in a separate account to be drawn out only for the purposes for which said bonds are authorized by this ordinance to be issued, upon warrants approved by the Board of Public Works and signed by the Chairman and countersigned by the Secretary of said Board.

Sec. 4. Said bonds shall be payable to bearer and shall be delivered by said Board only after being countersigned by the Chairman and Secretary of said Board; whereupon said bonds shall become payable to the lawful bearer thereof. It shall be the duty of the Board of Public Works, as Bond Trustees, when any bond is sold or issued by them, to register the same in a book to be kept for that purpose. The said Board shall keep an accurate account of all bonds and coupons outstanding and of all such as may be paid.

Sec. 5. Said bonds and the coupons attached shall be in words and figures, and the design of said bonds shall be as hereafter to be provided by ordinance.

Sec. 6. For the further protection of the citizens of Gainesville, and of the holders of said bonds, the members of the said Board of Public Works, as Bond Trustees, shall be required to give bond, or bonds, conditioned for the faithful and honest performance and discharge of all duties devolving upon them under the provisions of this ordinance, said bonds to be fixed by ordinance and approved by the City Council.

Sec. 7. The Treasurer or other agents or officers collecting or receiving money from any assessment, tax or other source, to be applied to the payment of said bonds, or any of them, or to the sinking fund or interest thereon, or any portion thereof, shall each make, on the first day of each month, and every month, written report in duplicate of the amount of money collected or received from each person, and of all payments by him made under the provisions of said ordinance. One of said reports shall, on or before the third day of the same month, be filed with the City Clerk, and the other with the Secretary of the Board of Public Works.

Sec. 8. It shall be the duty of the City Treasurer, or other agents or officers receiving or accounting for bonds or coupons redeemed, paid or purchased, to cancel the same when received, in the presence of the person from whom he shall receive them, and to deliver all such bonds and coupons to said Trustees, together with the report above mentioned, each month.

Sec. 9. The City Treasurer, by and with the advice and direction of the Board of Public Works as Bond Trustees, shall from time to time apply all monies which shall come into his hands as a redemption or sinking fund, to the purchase of said bonds, at their market value, or shall, under the same direction, invest said money in bonds of the United States, or of the State of Florida, or in such other bonds or securities, or in such other manner as shall be approved by said Trustees and as may seem to them advisable.

Sec. 10. It shall be the duty of the Board of Public Works, on or before the first day of February of each and every year, to report to the City Council the number and denominations of said bonds outstanding, with an estimate of the amount necessary to be raised for interest and sinking fund, which statement and estimate shall serve as a basis of assessment by the City Council for the ensuing year for that purpose.

Sec. 11. The Mayor of the City of Gainesville is hereby directed to issue his proclamation calling a special election to be held in said city on the 10th day of October, A. D. 1905, to determine whether the issuance of bonds proposed by this ordinance to be issued shall be approved by a majority of the votes cast by the qualified electors of said city at said special election, and said proclamation and this ordinance shall be published in a newspaper printed in said city at least once each week for four consecutive weeks, the beginning of such publication being made immediately upon the adoption and approval of this ordinance. At said special election the question of the issuance of bonds to the amount of One Hundred Ten Thousand Dollars, and for the purposes proposed in and by this ordinance, shall be submitted to the qualified electors of said city for their approval; that each qualified elector shall have an opportunity to vote for or against the question of the issuance of said bonds for the purposes proposed, and each elector shall cast a paper ballot. Each elector desiring to vote for or against the approval of the issue of bonds for One Hundred Ten Thousand Dollars, for the purposes mentioned in this ordinance, may vote a paper ballot containing the words "For Public Utility Bonds One Hundred Ten Thousand Dollars," or "Against Public Utility Bonds One Hundred Ten Thousand Dollars," and each of said ballots shall be counted as a ballot approving or disapproving, as the case may be, the issuance of the bonds for the purposes mentioned in this ordinance. The said special election shall be called, held, conducted and the returns thereof canvassed as nearly as may be in compliance with the rules, regulations and ordinances governing and controlling the general City elections of said City.

Sec. 12. The City Council shall prepare and furnish all necessary blanks and ballots, and shall make all necessary preparation for said special election, and shall pay for same out of the proper fund in the treasury. The ballots to be used in said election shall be substantially the following form:

Official Ballot.
Special Bond Election.
City of Gainesville.
October 10th, A. D. 1905.

Make a cross (X) mark before the word "For" or the word "Against," accordingly as you approve or disapprove of the issuance of bonds as proposed.

Vote for one.

For Public Utility Bonds
One Hundred Ten Thousand Dollars.

Against Public Utility Bonds

Sec. 13. If the issuance of the bonds as herein proposed and submitted to be approved by the qualified electors be approved by a majority of the votes so cast, then the bonds so proposed to be issued shall be authorized, and from time to time shall be sold and delivered, as the proceeds are needed for the purposes for which they are authorized.

Sec. 14. There is hereby created by this ordinance a Board of Public Works. Said Board of Public Works shall consist of five members, and the same shall be the permanent Executive Board of said City, and said Board shall be Trustees for the bonds proposed to be issued by this ordinance. The members of said Board of Public Works shall each hold office for the term of five years and until their successors are elected and qualified; provided, however, that the members of the first Board shall be H. F. Dutton, S. J. Thomas, W. N. Wilson, W. W. Hampton and P. M. Colson, who shall enter upon the duties of their office immediately upon the approval by the qualified electors of the proposed issue of bonds, and shall continue in office until June 1st, 1906, and thereafter for the terms and periods as follows: W. W. Hampton for the term of five years; H. F. Dutton for the term of four years; S. J. Thomas for the term of three years; W. N. Wilson for the term of two years; P. M. Colson for the term of one year, and until their successors are qualified. Their successors shall be elected by the qualified electors of said City, one member of said Board at each regular municipal election, to take office 1st June next after said election. The Board shall fill vacancies in its membership until the next regular municipal election, at which election vacancy shall be filled for said unexpired term, and the person so elected shall take his seat immediately upon his election and qualification. The duties of said Board shall be to receive the said bonds as soon as the same are engraved or printed and executed, and to sell the same at not less than par, as provided by this ordinance, and to dispose of the proceeds for the purposes for which said bonds are issued. Said Board shall have the control, supervision and management of the construction, acquisition and operation of the said sewerage system proposed and provided for by this ordinance, and the control and management of the electric light plant and of the extension of same proposed and provided for by this ordinance, and said Board shall have the control, supervision, management and operation of any and all public utilities acquired, constructed or operated, and of all improvements made by or with the monies and funds arising out of and proceeding from the sales of the bonds proposed to be issued by this ordinance. The Mayor and City Council may, by subsequently passed ordinance or ordinances, provide for and prescribe such other and further executive duties and powers of said Board as may be deemed by said Council advisable and from time to time may be rendered necessary. Said Board shall make its own rules and elect a Chairman and Secretary, and appoint such committees, and remove or change the same, by a vote of a majority of said Board, at any time. All contracts to be signed by said Board, or other papers necessary to be signed by same, shall be signed by the Chairman and Secretary and attested by a by a common seal to be adopted by said Board. Said Board shall adopt a common seal.

Sec. 15. The members of said Board shall receive no compensation. Three members of said Board shall constitute a quorum for the transaction of business. The ayes and noes shall be called and entered upon a journal upon the passage of every resolution or order for the expenditure of money. Said Board shall by rules provide for the holding of regular and called meetings. Members of said Board shall have a right to take part in all proceedings and deliberations of the City Council on all questions relating to matters under their charge, but without the right to vote. Said Board shall not employ or contract with any of its members. No member of said Board or other person, whether in the employment of the Board or otherwise, shall have power to create any liability on account of the Board, or of the funds under its control, except by express authority of the Board conferred at a meeting duly and regularly convened.

Sec. 16. The said Board of Public Works shall have exclusive power to employ such heads of departments, engineers, clerks, superintendents, laborers and other persons as it may deem necessary for the execution of its duties in connection with any and all utilities and improvements said Board has control and supervision of under and by the terms of this ordinance, or may have by subsequently passed ordinance or ordinances, and shall fix their compensation, and any of them may be discharged by a majority of the Board at its discretion.

Sec. 17. Any member of said Board may be removed from office for incompetency, inefficiency, neglect of duty, or misconduct in office, by the affirmative vote of three members of said Board approved by the City Council.

Sec. 18. Upon the approval by the electors of the issuance of the bonds provided for and proposed to be issued by this ordinance the bonds shall be executed and delivered to the Board of Public Works, as Bond Trustees, and said Board shall from time to time, or all at one time, sell the same in compliance with the provisions of this ordinance, and as said Board may deem advisable, and deposit the money in a designated depository, or depositories, which may be required to give special bond.

Sec. 19. In the event that any part of the proceeds of the sales of said bonds proposed by this ordinance to be issued shall not be necessary to effect the purposes hereinbefore designated for which the proposed issue of said bonds are to be used, then such part of the proceeds of said bonds and the monies not so needed may be used for the purpose of improving the streets and parks of said City, and to construct, own, acquire and operate a gas plant for said City, as may be provided by ordinance.

Sec. 20. The Board of Public Works shall have exclusive power to make all improvements and expenditures under this ordinance which shall cost less than Two Hundred Dollars, but shall let all contracts of over Two Hundred Dollars to the lowest responsible bidder, unless otherwise directed by this ordinance, provided that said Board shall have and reserve the right to reject any and all bids when in the discretion of said Board it shall be deemed advisable.

Sec. 21. This ordinance shall take effect immediately upon its passage and approval by the Mayor.

Passed in open session of the City Council on this 10th day of August, 1905. A. M. CUSHMAN,
President pro tem City Council,

Notice of Election.

Under and by virtue of the power and authority vested in me, I, W. R. Thomas, Mayor of the City of Gainesville, Florida, do hereby call a special election to be held in said City on the 10th day of October, A. D. 1905, for the purpose of submitting the question of the issuance of the bonds of said City to the amount of ONE HUNDRED TEN THOUSAND DOLLARS for the various purposes named and specified in and provided for by the ordinance hereto appended and published herewith, and to determine whether or not the issuance of the bonds provided for and proposed in and by said ordinance shall be approved by a majority of the votes cast by the qualified electors of said City at said special election.

The polling place for said election shall be in the rear of the Municipal building on East Main and Masonic streets.

The polls shall open at 8 o'clock a. m. and close at sun down of said day.

W. L. Hill, W. S. McDowell and D. A. Robertson are hereby appointed inspectors, and F. X. Miller clerk of said election.

Witness my hand and the seal of said City of Gainesville, Florida, on this 11th day of August, 1905.

W. R. THOMAS, Mayor.

Attest: J. M. DELL, City Clerk.

AN ORDINANCE

An Ordinance to Provide for the Registration of Voters at a Special Election to be Held October 10th, 1905, in the City of Gainesville, Florida.

Be it Ordained by the Mayor and City Council of Said City:

Section 1. That the City Clerk of said City of Gainesville be, and he is hereby directed, immediately upon the adoption and approval of this Ordinance, to open the registration books of said city at his office, or at any other convenient place in said city, and that all persons entitled under the Laws of Florida to the right of franchises shall be entitled to register by taking the required oath, giving their name, color, age and residence. The said Clerk shall give due notice of the time and place where said books are to be opened and kept by publishing such notice in some newspaper printed in said city. The registration shall be completed and the said books closed on the second Saturday of September, 1905.

Sec. 2. That the purpose for which said registration books shall be opened as provided in Section One, shall be to permit the registration of all persons entitled under the Laws of Florida as therein provided, to register for the purpose of qualifying to vote at the special election to be held in said city on the 10th of October, 1905.

Sec. 3. That this ordinance shall take effect immediately upon its passage and approval.

Passed City Council August 10th, 1905. A. M. CUSHMAN,
President pro tem.

Attest: J. M. DELL, Clerk.

Approved by me this 10th August, 1905. W. R. THOMAS, Mayor.

ALACHUA DIVISION
... OF ...
THE MUTUAL LIFE INDUSTRIAL ASSOCIATION
OF GEORGIA.

If YOU Have Not a POLICY IN THIS COMPANY, WHY NOT?

It gives protection at actual cost. Local men manage it and prevent any possibility of fraud. It is insurance at actual cost and money kept at home. Its source and origin, purpose and end, is Mutual and Co-operative Help—one thousand persons banded together to INSURE each other AT COST.

For a policy in the ALACHUA DIVISION OF THE MUTUAL LIFE ASSOCIATION of Georgia. Average cost to Policy Holders last year, $5.49 on a $1,000 policy. Forty-seven Divisions now running. $24,800,000.00 Insurance in force—now writing more than three millions of dollars a month. Only one thousand members allowed in one division and policy limited to $1,000. Open to men and women. Initiation fee payable when application is made.

At ages from 16 to 30 Class A	$3 00
At ages from 30 to 40 Class B	4 00
At ages from 40 to 50 Class C	5 00
At ages from 50 to 60 Class D	6 00

These amounts are paid only one time. One year from the date of the policy, and annually thereafter.

The annual dues are Class A	$ 75
The annual dues are Class B	1 00
The annual dues are Class C	1 25
The annual dues are Class D	1 50

Whenever a death occurs in a division, each member is called upon to pay a death premium of $1.15. According to the sworn statement of the Company made to the Comptroller General January 1st, 1905, the average cost to the policy holders of Georgia last year to carry a $1,000 policy was $5.49.

Paid beneficiaries during the year 1904, $64,000.00.

$3,321,000.00 of business written in May, 1905.

Mortuary rate last year 3 1-10 per 1,000 policy holders—year before, 3 3-10 per 1,000 policy holders.

EXPERIENCE OF A POLICY-HOLDER IN THE CLARKE COUNTY DIVISION.

This division was organized four years ago; in the whole of that time there have only been fifteen deaths in that division, which is full and consists of a thousand members, an average of 3 3-4 deaths a year. These are facts.

Let us see what has been the actual cost of a thousand dollars insurance of a member of the Clarke county division who has been in it for the last four years, and who was between the ages of forty and fifty, Class C. His initiation fee was $5.00, 15 death assessments $1.15 each, $17.25. There has been three annual dues $1.25 each, total $22.25 for four years insurance or an average of $5.83 to carry a thousand dollars insurance for a year, between the age of forty and fifty. A member who is under that age has paid a similar amount. In an old line stock company, at the same age, would have cost these members $48.48 per annum. Is there any sense in paying $48.48 for the same thing that you get for $5.83 and just as good and just as safe?

What One of Georgia's Greatest Men Has to Say About the "Mutual Life of Georgia."

ATHENS, GA., March 27, 1903.

MR. JOHN A. DARWIN, Secretary and Treasurer, Athens, Ga.

Dear Sir: After making a careful study of the plan of "The Mutual Life Industrial Association of Georgia," I have taken out a policy in it and consider it the most complete solution of life insurance I have ever seen.

I have insurance in old-line and assessment companies and I have decided that "The Mutual Life" is as safe and at the same time lower in cost than any of them.

Yours very truly, HOWELL COBB.

Received through Mr. L. A. House, Secretary and Treasurer, $1,000 from "The Mutual Life of Georgia," Home Office.

Athens, Ga., as beneficiary under Policy No. 4313, in the Windsor Division. This had only cost my husband $9.30 for nearly two years. The money was paid me in 24 hours after his death. I beg all women in Georgia to insist on their husbands to take a policy in the Athens Company. (MRS.) EMMA J. BAKER.

STABBED GIRL TO DEATH.

Florida Youth Commits Deed and Then Swallows Laudanum.

Jacksonville, Fla., August 11.—In a fit of jealousy W. T. Clements, a young man of good family, of Middlesburg, Fla., stabbed fatally Miss Clara Moseley of the same place. The stabbing occurred at the home of a friend of the young lady in this city, and after the girl had been out for an evening of pleasure with another gentleman friend.

Clements met the young lady after she had returned, and drew a long dirk and placing his left arm around the girl's neck, stabbed her three times in the left breast, coming dangerously near the heart. As she was falling he stabbed her the full length of the dirk blade in the right shoulder, leaving the dirk in her flesh.

The deadly weapon was left in the wound when the man who used it ran and afterwards sought to take his own life by swallowing laudanum.

The girl will recover, but the young man is beyond help. Clements is in jail at Lafayette.

Wounded Woman Is Found.

Chattanooga, Tenn., August 11.—Mrs. Nellie Jackson, the young woman who was stabbed by Charles Carr at Rossville, Ga., walked into Ringgold on Wednesday. The woman was found with cuts in her neck, right arm and her clothes covered with blood. She spent the night in a cabin and walked to the country. She was almost from exhaustion when she reached Ringgold. Citizens of Ringgold took her to her home in Dalton. Carr was prompted by jealousy. He is in jail at Lafayette.

Public Is Aroused.

The public is aroused to a knowledge of the wonderful merits of that great medicine, Electric Bitters, for stomach, liver and kidneys. Mary Walters of 946 St. Clair Ave., Cleveland, O., writes: "For several years I was given up to die. I had heart and nerve trouble, my nerves were wrecked, I could not sleep, and my stomach was so weak that I suffered from useless doctors' bills. I could not eat. Soon after commencing to take Electric Bitters, I felt better, and in a short time I was entirely cured." Guaranteed at drug stores; price 50c.

Bubonic Plague in Chile.

New York, August 11.—There are seven cases of the plague in Iaitai, Province of Atacama, says the Herald's correspondent at Valparaiso, Chile. The epidemic of smallpox in Valparaiso is unchanged. Nearly 550 deaths have been recorded during the last seven days.

How to Avoid Appendicitis.

Mr. and Mrs. J. C. Getzen and children of Webster were in the city yesterday, guests of Mr. and Mrs. J. F. Bunch. They were en route home from Lake City and Fort White, where they have been visiting relatives.

Attention is directed to the bond ordinances which appear elsewhere in this paper. Considerable interest is being taken in these ordinances now, since they will have a great deal to do with the progress of the city for the next few years.

E. G. Richardson, the clever representative of the Good Roads Machinery Company of Kennett Square, Pa., after several days spent in this city, left yesterday for Dillon, S. C., where he has been summoned on business connected with his firm.

The building on East Main street, S., which will be occupied by Roux Bros. as a tinning and plumbing establishment, is being remodeled and otherwise improved. The three rooms will be converted into one, and when completed the place will make a most attractive appearance.

The friends of W. S. Dorsey, who had the misfortune to run a nail through his foot about a week ago, will regret to learn that he is still confined to his bed. His condition is slightly improved, however, and it is believed that he will be enabled to resume his duties within the next day or two.

Conductor Richardson, formerly of this city but now residing in Tampa, where he holds a position with the Seaboard Air Line, is here on a visit to friends. Captain Richardson is well pleased with the South Florida metropolis, but declares he still has a "hankerin'" for Gainesville. He is elated over the fact that Gainesville was awarded the University.

It has been said by some superstitious old farmer that when rain begins with the dog days it will continue hard during the entire season every day. This may seem merely a hallucination with a bit of a tinge of superstition, but so far the farmer has proved his assertion correct, for seldom a day has passed in this period that this section has not been visited by a severe rain.

R. Thomas of Rocky Creek was trading in the city yesterday.

A. J. Copeland, a progressive farmer of the Jennings Lake section, was trading in the city yesterday.

Mr. and Mrs. W. E. Dow left last night for White Springs, where they will recuperate for a couple of days.

W. L. Miller of Plant City was a visitor to Gainesville yesterday. Mr. Miller's old home is at Boardman, and he has been there for the past few days on a visit to relatives and friends.

Jerry Wells of Worthington Springs was in the city yesterday. Mr. Wells states that the spring has been "under water" for the past few days, occasioned by the heavy rains, but the water is now rapidly receding and the spring will be in fine condition by today. There were a great many sojourners at the spring, but they were compelled to leave on account of the overflowed condition.

Wade Thomas of Monteocha was trading in the city yesterday. Mr Thomas reports excessive rains in his section and says the cotton crop is considerably damaged. Cotton is opening rapidly and there is a great deal of the plant now ready for picking, but the weather has prevented gathering of the staple. Cotton pickers are also scarce, and altogether the prospects for gathering the entire crop are none too encouraging.

A letter from W. L. Pickett, formerly of Newberry, but now residing in Fort Meade, Polk county, requests that The Sun be sent to his address. "I like this country very much," he says, "but feel lost without the 'old reliable Sun,' and I want you to put me on the list." Mr. Pickett has just purchased a livery stable at Fort Meade, and believes his prospects are good. His friends in this section wish him success in his enterprise.

Rev. T. L. Cooper, a Methodist divine of Chiefland, Levy county, was in the city yesterday. He was en route home from Orange Lake, where he has been on a visit to relatives. Mr. Cooper has just finished in assisting Rev. J. V. Brown in a series of meetings at Hague, which were very successful, twenty-one accessions having been made to the church.

Hon. J. M. Gornto and William Weaver of Mayo were among the visitors to this city yesterday, having been attracted here on business connected with the United States land office. Col. Gornto states that Mayo is on a substantial boom now, and the people of that section as a rule are prosperous and are greatly encouraged by railroad invasion of the country.

Hon. Turner Butler, a prominent young attorney of Tampa, was in the city yesterday. He was en route from Levy county, his old home, where he has been on a visit. Col. Butler was born and reared in the vicinity of Levyville, and has made rapid strides towards success since being admitted to the bar. His friends in this section will be glad to learn that he is prospering.

Prospective Elks Meeting.

A preliminary meeting of those who go to make up the charter list of Gainesville Lodge No. 990, Brotherhood Protective Order of Elks, was held in the Masonic hall Thursday evening, and was well attended by the representative citizens of Gainesville, business and professional men. The lodge will be instituted here on Wednesday evening of the coming week, if present arrangements are carried out, and the work will be conferred by a team from Lake City lodge. The Ocala and Jacksonville lodges will also be invited, and a general good time is expected. Officers of Gainesville lodge were nominated, and will be elected as soon as the lodge is organized.
